Career Objectives:

Hello! I am Muhammad Shahriar Hasan, a passionate front-end developer with a keen eye for creating engaging and intuitive user experiences. I specialize in crafting responsive and accessible websites using cutting -edge technologies such as HTML5, CSS3, JavaScript and modern front-end frameworks like React.js. My design-oriented approach ensures that every project I work on not only functions flawlessly but delights users with visually appealing interfaces and seamless interactions. I'm constantly staying updated with the latest trends and best practices in front-end development to stay ahead of the curve.
